(Radio Sandesh Bijnor : Apki Apni Aawaz 89.6 CR)

Dated on July 22, 2022

To promote and encourage communication skills and awareness for community work in the students and staff.

Objectives of MoU

1. To give a platform for the exposure of various hidden talents in the students and staff.
2. To ensure students with the support of staff that community radio may prove to be an additional skill of Mass Communication for them.
3. To enhance the awareness in the staff and students about their local community and surroundings.
4. To inculcate the Democratic Values among the students through CR as it is 'of the people, for the people and by the people'.
